

# LAS BIBLIOTECAS MUNICIPALES

DE CIUDAD REAL PRESENTAN:

*Cuentos de cine,  
cine de cuentos*

Todos sabemos que una película proviene de un guión,  
y muchos de esos guiones están basados en libros.

A menudo cuestionamos si la película es mejor o peor que la  
novela o si es fiel al texto. Casi siempre, detrás de las grandes  
películas hay libros aún mejores.

Por ese motivo, las bibliotecas Municipales de ciudad Real os  
mostramos una selección de cuentos, novelas y películas que  
podréis prestar a vuestras casas y así decidáis si os gusta más  
el libro o la película.

¡ Hay de todas las edades, épocas y para todos los gustos!
